Flyers Open 2014 Season with a Sweep of the Mustangs

The Romulus Flyers kicked off the 2014 Season by hosting the Taylor Mustangs. After three weeks of preseason practice the Flyers were ready to hit somebody other than each other. On Saturday the Flyers brought the pain all day long.

Freshman Flyers Manhandle Mustangs.

In the Freshman game the Flyers got off to a quick start as Coach Doug Clark took the field as a first time Flyers Head Coach. About mid way through the first quarter both coach and team got rolling and never looked back. Under wonderful game conditions, the Flyers dominated the first half of the game and took a commanding lead into the half. In the second half the Flyers continued to dominated as they continued to score even after pulling their starters early in the third

quarter. The Flyer Freshman cruised to their first win of the season with a 46 - 0 shutout of the Mustangs.

Flyers JV Get Off To A Good Start

Continuing his long tenure with the Flyers, Coach Wester and the Flyers JV put together a solid opening day win. The Flyers easily moved down the field on their opening drive for the first score of the season. The Flyers jumped out to a three touchdown lead before the Mustangs broke a long run to close within two scores. But on the next series the Flyers quickly put up another score and took 27 - 6 lead into the half. In the second have the Flyers put the reserves on the field to get some playing time. Then closed out the game with a fourth quarter score to make the final 33 - 6.

Varsity Completes the Sweep

Coach Glenn Carr opened the season in his new role as the Varsity Head Coach. Coach Carr is on his second trip as the varsity head coach and he had quite a challenge on Saturday. With a roster of only 22 players and only 15 eligible it could have been a long day for the Flyers. But the Flyers had something to prove and they took an early lead of six point and held it until early in the second quarter. The Mustangs took a 7 - 6 lead but it only lasted until just before the half ended as the Flyers went into their two minute offense and scored to take a 13 - 7 lead in the half. The Flyers scored a touchdown in the third and fourth quarters and controlled the second half of the game. The varsity capped off the opening day sweep of the Mustangs with at 26 - 7 win.
